Hi! My name is Nicolina Abiuso (but everyone calls me Niki) and I am 14 years old. I have always just loved to perform. Whether I am dancing, singing or acting, nothing makes me happier than coming out of my shell and creating a character on stage or video. Whenever I see kids my age in a show or movie, I think "that could be me!" and ever since I was chosen to pursue my talent with Talent Auditions, I have started to think that dream could become a reality. Seeing what young performers have already accomplished in their lives is amazing to me and I dream of being successful in this business like them. With guidance, I would also love to get into modeling if someone is willing to take a chance on me. I want nothing more than to make people feel something when they watch me do what I love.
