

Rory Knight

To Whom It May Concern,

20 January, 2024

I am writing to you to share information about me. My name is Rory Monroe Knight. I am 9 years old and live in Fredericksburg, Texas with my parents and siblings. My interests are playing piano, drawing artwork, fashion, and sewing, specially making pillows.

The reasons I want to be in the entertainment industry are endless. I would like to explain a few to you. I truly enjoy singing, dancing, and being silly. These are traits I would like to showcase to others on and off screen. I like to be creative through fashion and drawing. Being in the entertainment industry will allow my fashion interest to shine through. This is something that I have been wanting to do for as long as i can remember.

Sincerely,

Rory Knight
