

# THANK you

To whom it may concern,

Thank you for your interest in our daughter Madeleine Serre's talents. From a very young age, Madi has demonstrated a unique ability to grab the attention in any room she enters. She has a big personality and rises to every challenge. She is trained in basic acting principles and has strong gymnastics, dance and storytelling skills.

We would love to see Madeleine have the opportunity to grow her acting, singing and modeling experience because we have seen how comfortable and enthusiastic she is when immersed in projects that she enjoys. Our goal is for her to have fun, build her skillset and meet some incredible people along the way. We appreciate your time and consideration in advance!

With Respect,  
Nick & Jess Serre
