### *Cover Letter*

My name is Mason Beardsley and I am 11 years old. I have a lot of medical conditions that made it hard for me to do a lot of things growing up. When I found acting I knew it would be a great fit for me. I could travel, learn new things, and make new friends. It would give me the chance to find a new dream that I could love! The more time that I spend with acting coaches and talking to other kids who want to do this I know it is what I want and that I will be good at it. I also have a big imagination so I think that will help with my acting career.

My mom always says I am really funny and that I should share that with the world. I really like to make people smile and laugh. I know what it feels like to be sad and I want to make sure other people don't have to feel that way.
