Hello my name is Jesleena Hay, I live in Fayetteville, NC and I am 7 years old. I am a proud 2nd grader that likes to learn new things inside and outside of school. Aside from learning how to act as a newcomer in the acting profession, I also like to take pictures for modeling as I am very photogenic as well as charismatic as it shows in the majority of my pictures. I am so excited to work with other kids if possible and hopefully can continue to learn newer things that come along with acting and modeling as I go on to start this new journey in my life.

Sincerely,

Jesleena Hay
