

I am Mathaniel (Thanney) White, and I am seeking representation in tv/film/commercial/modeling fields. I am new to the business, but extremely excited to be a part of the industry. As you can see from my resume, I have had some training with some reputable professionals within the field.

Although I am only 12 years old, I have had a desire to pursue acting since I was six. I have been writing short skits, recording short videos, and creating stop motion animation since I was about eight years old. I like to believe that it is my love for humanity and my desire to make people smile that has pushed me towards officially taking the steps to enter this industry. I am thankful that I have an incredibly supportive family that is willing to help me pursue my dreams.

Aside from my dedication, discipline, and strong work ethic, I am a good candidate for representation due to my family support system and my ability to be mobile as I am homeschooled and therefore not required to be in attendance at a physical location for my studies. My mother also works virtually, so she can work from any location within the country.

If you would like to meet or schedule an interview, I can be reached at 319-504-4891 or an email can be sent to zorana@wortham-whitelawoffice.com. I look forward to meeting you soon.

Attached, please find my résumé.

Sincerely,

Mathaniel White
