

My name is Jasper Smith-Beshears. I love all things sports related. I enjoy playing soccer, baseball, basketball, football, pickleball, swimming, running and boating as well as many other things. I enjoy spending time with friends and family. When you are around me you will never get bored. I am usually the life of any party or get together. I can be laid back or I can be energetic. I am a great listener and I behave well in public.

I would like to get into modeling and acting because I believe I will be good at it. I enjoy getting my pictures taken and I really enjoy acting out commercials, repeating lines from shows, songs, repeating radio commercials or making up my own stuff on the fly. I am looking forward to this new adventure and am ready to learn and grow!
