Dear Hiring Managers/Agents/Directors:

In efforts to be an Actor in the next assignment, I geared up to submit this resume for your kind reference.

I am sure the skills I've learned in the Acting Workshops & my talent will prove to be a great asset.

- 4 yr old actor in floor piano online commercial - tutorial
- Taken Acting Workshop - Monologue breakdown/slating & Performance & Improvisation to improve my acting abilities
- The ability to learn and memorize quickly
- Cry on command
- Appearance - multi-ethnic

While I am currently 5 yrs old, I am witty, have a quick memory, very active, super silly, & am in the top percentile academically. Absolutely love to be on camera, & have LOTS of personality to boot.

I am confident that my acting skills and talent will be a right match for any Child Acting role. Thank you for taking the time to read my resume, and I am expecting to meet you soon in person.

Thank you for your time and consideration.

Sincerely,

Ariella Perez *(written by parent)*
