I am writing to express my interest in an opportunity to work with your agency, and I believe I am a perfect fit for your organization. I take pride in my education by maintaining an A, B average. I take on extra activities outside of school. I love cheer, gymnastics, reading, dancing, and traveling to new places.

I have been passionate about performing since I was able to watch young kid actors on television. I really enjoyed the actor's workshop that taught me a little of what to expect when in this industry and how to carry myself.

I feel like I will be able to betray any character and their emotions to the best of my abilities. I take direction and criticism very well and I'm always willing to take on new challenges. I will be just as dedicated to your agency as I am to my education. I am confident that I will be a great asset to your team. I am excited to learn more about your agency and look forward to meeting you.

Thank you for your time and consideration,

Sincerely,

Flower Wilson
