## Jase Eckert

My name is Jase Eckert and I am six years old. I am interested in learning more to help me with acting. I like to watch my youtubers and play video games and would like to be famous like the characters one day.

I like to play games in acting class. I like how it feels to memorize my lines and say them back. I hope to act and meet new friends and go to new places.

Sincerely,

Jase Eckert
