Hello! My name is Christina Harrison. I am a girl with dreams so big and bright, it makes the sun look dull. I want to be in the entertainment industry because I have a passion for the arts. It gives me a chance to express myself in many other ways that are beyond me. I love to entertain people. I like to see the enjoyment on everyone else's face when I perform. Finally, the reason I want to go into the entertainment industry is because it is fun! I can do different characters and funny voices. I am really in my element.
