Hello Potential Bosses:

My name is Braelynne Terry, I'm ten years old and I currently live in Kansas but I'm from Polson, Montana. My favorite things to do are swimming, reading, playing with toys, and spending time with family. I also really enjoy listening to music and singing, but I get nervous singing in front of other people.

I want to be an actress because I'll get to travel the world and be in movies, I'll get a lot of money that I can use to help my family, and I'll become famous over the years. I think it would be fun to meet new people and to be in movies and tv shows. It'll be fun to get to watch myself act and see how movies come together. I could get to be proud of myself for going so far into what I dream of doing.

Thank you,

Braelynne Terry
