

Joshua Lapidés

My name is Joshua Tristan Lapidés and I am 12 years old and I live in Newtown, Pennsylvania. I am a fun loving, outgoing, funny kid and I have a large circle of friends and family who can testify to this. I love any kind of sports, outdoor activity, gaming, and spending time with my family. I am known by my friends as someone who is always entertaining those around me with jokes, fun tricks or just plain being myself.

Acting and or Modeling is something I have always wanted to do and I am beyond excited for this opportunity to make my dream a reality. Entertainment is something I feel passionate about, and I know that I can bring my energy, enthusiasm, and talent to any role that is offered to me. This is a gift I am willing to work very hard to develop and I'm excited to share everything I have to offer with the world.. I look forward to working with you and proving that I am exactly what you have been looking for.
