My name is Kyndall Julianna Renee' Laster. Since the age of 1, I have been my family's constant comedic relief. From my natural quick wit to my love of writing and telling jokes-entertainment has forever been in my core. I participated in dance, tap and hip-hop classes; performed with my gymnastics team; and now sing in my school chorus. I have never been one to shy away from a stage!

I have wanted to be an actress since I was 6 years old. I memorized entire episodes of shows and skits in movies and can recite them to the T. I have participated in school plays and memorized my lines and everyone else's too! You never know when they will need a backup.

Acting and entertaining is in my blood. I live to be a performer-singer, dancer, actor, comedian. I see myself being a child star that goes on to be a famous adult actress and even content creator.

In addition to learning lines, I also excel at reading and writing short stories and poems. In my spare time I enjoy volunteering, creating content for my Youtube channel, and mentoring the younger students in my school. I truly believe I have been blessed with a gift and look forward to the opportunity to share it with the world.
