Hello! My name is Connor Haskins. I'm 11 years old and I'm just getting started with acting. I was recently cast in a starring role in my elementary school musical and it made me realize that I love acting and I love entertaining people! After the musical I received many compliments about how I "stole the show" which inspired me to pursue other acting opportunities.

I know I don't have a lot of experience yet, but I promise I'm a fast learner and I'm super enthusiastic about acting. I'm always practicing my lines and trying to improve. Plus, I love meeting new people and making friends!

Thank you so much for reading my letter! I hope we can meet someday and maybe work together.

Thank you,

Connor Creed Haskins
