## Talent Auditions,

Hi, my name is Aaliyah. I am a 10th grade high school A-B student in Florida. I want to be in the entertainment industry because I have always had a passion for the art of acting and performing. Seeing actors my age in mainstream movies and tv shows inspire me to pursue acting.

The movie theater is one of my favorite places to be, and when I'm watching, I always imagine myself on the screen. I'm aiming to be among the well-known actors of my generation. Not only do I want to portray characters, I want to embody them and make audiences feel a connection through my acting.

Sincerely,

**Aaliyah Palmer**
