

Dear Agents and Casting Directors,

I am writing to express my interest in professional acting. I am a 7 year old actress with a passion for performing and a strong desire to bring characters to life on stage. I have experience in school performances, participated in acting summer camp, and taken acting classes with Talent Auditions to further develop my skills. I am an advanced reader, quick learner, take direction well, and am dedicated to giving my best performance each and every time I step on stage or in front of a camera. I have an innate ability to connect with the character I am playing and their emotions. I am excited for the opportunity to bring any character to life and showcase my acting abilities. Thank you for considering me for representation and any future roles. I look forward to the opportunity to audition and show you what I can bring to any production.

Sincerely,

Aria Gardner
