Waldorf, MD

Hello my name is Asa Elias Geiger eight (8) years old born in Alexandria, Virginia. My parents are Maria Laura Garcia and Leo Geiger and we live in Waldorf, Maryland. My family and I are looking forward to working with your company.

I have been interested in entertainment for as long as I could remember. I have always been creating my own videos on my iPad or performing different acts for my family. I am friendly, upbeat and will work hard to get the auditions that will make me a star. I would like to be a youtuber or in commercials or acting in any movies.

I have my parents full support in making my dreams come true. I look forward to meeting you and working with your company help make me a star.
