

Howdy ya'll!

I'm Bradleigh, and I couldn't be more excited to be on my journey for modeling and acting. I started dancing at around 2 years old, and began my competitive dancing career at age 5. I fell in love with the stage immediately! I take every opportunity to perform and work on my skills that will help me grow in my performing career. I'm a determined, hard worker that will do anything I set my mind to.

I take dance, tumbling, and vocal lessons regularly. I am currently an ambassador for two dancewear brands, and one has led to the opportunity to participate in the New York Fashion Show this year! I model regularly for two dance photographers, and love being in front of the camera. I have also been a live model for dancewear showcases. I hope to someday be on Broadway and TV!
