I am full of enthusiasm, kindness, and humor. I am the sweetest girl you have ever met and although I'm relatively new to the industry, I'm dedicated to learning. I naturally possess the fundamental skills, such as improvisation and memorization, and these are enhanced by my personal strengths: adaptability, creativity, and self-motivation. Together, these qualities drive my capacity to learn and perform.

Recent training has ignited a deeper passion and eagerness to venture into acting. My inspiration for acting started when I watched my favorite TV shows, *iCarly* and *Full House*, for the first time. I see this as an exciting adventure to embark on, a chance to meet new people, and an opportunity to fulfill my wildest dreams.
