

Hi, my name is Kember and I am 10 years old. I have been watching YouTube videos for a while and I would love to be able to create my own channel. I want to show people the fun side of life. I am fun and energetic and I love learning about animals, the Earth, space, nature, everything. I love to read and I am really good at it too.

I want to be a veterinarian and a YouTube influencer. I think Talent Auditions and iPOP will help me improve my stage presence and get me where I want to go.
