Thank you for taking interest in me!

I have a passion for performing arts for a few years now. I currently attend a private academy, where I continue to nurture my passion by performing in spring musicals each year. In addition, we are expected to grow our public speaking skills by giving oral speeches each week at school. My love for acting grows, the more experience I get.

I have a sweet personality, and am always looking to help others feel welcomed. I work well with others and love making new friends. I am also able to take directions well. My history of competitive gymnastics has instilled in me a great work ethic.

I am confident that I would be an excellent addition to your project. I look forward to hearing from you.

Thank you for your time and consideration.

Sincerely,
Emalynn Bassig
