

Kayleigh Jewell

Hello!

My name is Kayleigh Jewell, and I'm ten years old from Lansdale, PA. I'm super excited to tell you a little bit about myself. I love school, especially the school I am in now because it lets me have time to do things I enjoy, like reading, baking, and sewing. I also like playing with my little sister, my cat and dog, and swimming in our backyard pool. I even started my own slime business called Slime Lovers, where people can pick their favorite colors and scents for their slime. It's so much fun creating something special for each person!

I want to be in acting because it's like reading a book and stepping into a new world. Just like I can imagine different places and adventures in books, I can become different characters and live new stories when I act. I'd love to work in movies and TV shows so I can meet new friends who like the same things I do and learn from each other. I'm excited about the chance to be in this amazing world of entertainment and can't wait to see what adventures are there for me!

I look forward to working with you!
