RE: Cover letter

To Whom it May Concern,

I would love to learn more about the opportunities with Talent Auditions. As a starting point, here's a little bit about my background:

I am dependable, hard-working, kind and highly self-motivated. I work well independently as well as with others and my strengths include physical body strength, flexibility (in work and physically), and being punctual.

For more details about my background, please review my enclosed resume and demo reel. I believe that I can be the actor and/or model you're looking for.

Sincerely,  
Meilynn Sanchez
