Casting Director

Hello there,

I hope all is well. My name is Alex Ricouard, and I am a young energetic man who will take advantage of the opportunities that are given to me as an actor/model and make the most out of them. I am a responsible hard worker who likes to improve myself every day. As an easy-going person, I relate to people of all ages. I love to travel and try new things.

I was casted in the play Thwacked as a village boy, a Sports News Reporter for the Lacoste Bulldog News, and made the photo for Born to Go Pro for Jolly Basketball League. My training by Talent Auditions included basic acting principles, slating with audition techniques, monologue preparation, improvisation and showcase preparation which landed me to be invited to IPOP in January 2025. To enhance my learning experience, I applied for and accepted a scholarship for acting/modeling to Barbizon USA, which begins in October 2024.

My goals are to get a leading role in big movies, win an Oscar, get a star on the walk of fame, be the best actor I can be while having fun in the process. My biggest goal is to be a role model and an inspiration to show that hard work helps you achieve your dreams. I hope you will give me the opportunity to audition and work with you and your cast on your production. If you choose me, you won't be disappointed.

Thank you,

Alex Ricouard
