Hi, my name is Kayedence Schell. I am an aspiring actress and model. I have always been interested in the entertainment industry. I think acting helps me break out of my shell.

When I watch some of my favorite tv shows and movies I think to myself how fun it would be to see myself on that screen. Acting and modeling is something I have always wanted to do and never thought I would have a chance like this, so I am working my hardest to do what I can to make it happen.
