

Hi, my name is Scarlett Tubbs, and I love acting, singing, and dancing! I'm really excited to start my acting journey and be able to showcase my talents. I've had training in acting, dance, singing, piano, guitar, cheerleading, and tumbling and I always work hard to bring energy and creativity to every role.

I've been on stage in plays like *Matilda Jr.*, and *Mickey Mouse Clubhouse*, where I performed a vocal solo as Taylor Swift. I also participated in a local Pageant where I was crowned, "Best Personality" and I have performed at local sporting events, singing *The National Anthem*. These experiences taught me how to prepare monologues, improvise, perform in front of a crowd, and work well with a team. I've also attended workshops to improve my acting, including audition techniques and performance skills, with amazing teachers like Ryan Kelley and Ashlee Brian.

Outside of performing, I'm proud of my 4.0 GPA in school. I'm also really active in sports like cross country and competitive cheer, which have taught me discipline and teamwork. Being part of the Shooting Stars Youth Theater and my school choir has helped me grow as a performer and share my love of storytelling.

It would be an honor to bring my excitement and talents to your project. Thank you so much for considering me! I hope to audition and show you what I can do soon.

Sincerely,

Scarlett Tubbs
